Offers are based on predicted performance and will be re-negotiated if grades achieved are not in-line with the entry requirements stated. The school will offer students a "best fit" offer based on calculating student's choices after the application window is closed. Subjects with very low numbers will not run, students will be informed and asked to re-select or the school will investigate if study at another site is possible. Travel between sites will not be supported financially and students will be responsible for attending at, and returning from, the partner site as part of their agreed timetable. Please note that the Sixth Form Prospectus will be available to view online at [www.epschool.org](http://www.epschool.org).
