GCE (A Level) Examination Results Day 2019

Students will be able to collect examination results from the library from 9:00am to 10:30am on Thursday 15th August 2019.

Students are strongly urged, where possible, to collect their examination results in person. Members of SLT, Heads of Faculty and Sixth Form tutors will be available to discuss examination results with students and their parents/guardians.

Please note that due to the Data Protection Act, examination results will only be released to students. If a student is unable to attend and would like examination results collected by a third party, they must give their written consent. The person collecting results will be asked to show identification. Results will not be released to parents/guardians without written consent from the Student.

If results are not collected they may be posted. You will need to bring a stamped self-addressed C5 sized envelope to main reception by end of school on Friday 19th July.

If you require advice or guidance on reviews of marking and grade boundaries, this should be sought from individual subject teachers.

Examination Certificates

Examination certificates are issued by the examination boards in early November. We strongly advise that these are collected by the student in person however, if you would like certificates posted, please bring a stamped self-addressed A4 sized envelope to main reception. Please note lost certificates cannot be replaced by School. Replacement certificates must be applied for directly with each exam board who will charge a fee per replacement certificate.
