Offers will be made based on predicted performance and will be re-negotiated if grades achieved are not in line with the entry requirements for each course. The school gives a 'best fit' offer on calculating student choices after the application window is closed. Subjects with very low numbers will not run. In this case, students will be informed and asked to make an alternative choice. This form and the prospectus can be downloaded online at [www.epschool.org](http://www.epschool.org).

**Please return all applications to Mr R Tamale through the main reception.**

**Deadline for completed applications is Friday 20th December.**
