

NEW CLUB

starting soon!

Open to children who will be in Year 6 to Year 11 from Sept 2017.

We are opening a new club soon for young people who want to meet other fans of Pokémon, Arts & Crafts and Video Gaming (handheld and console)

Want to know more?

The Autism Group already runs three successful separate clubs on a Saturday afternoon which are focused on each of these special interests for young people of secondary school age with an autism spectrum condition. Our clubs are aimed at young people of mainstream ability but who need support in their social understanding.

This new club is for slightly younger children and goes up to age 16, so they can meet like minded others and build friendships. Our other clubs go up to age 25 so they can continue to enjoy their interests as they get older.

A choice of planned activities based on all three interests will be provided each session based on what the young people tell us they want.

Our club workers are DBS checked and experienced and trained in autism.

Our clubs are very popular and places are limited! We are happy to put children who will be going into Year 5 in September 2017 on our waiting list.

**Meets every four weeks on a Saturday morning
in the Elevate Hub, Nicholson's Centre, Maidenhead. Each session is £7.50**

For more details about applying to join,

please email Ruth - clubs@theautismgroup.org.uk or call 07454 375071

Or check us out on Facebook <https://www.facebook.com/theautismgroup/>

With thanks
to these
organisations
for their
support.
