

# EASTHAMPSTEAD PARK COMMUNITY SCHOOL

## Publication Scheme

### Introduction

One of the aims of the Freedom of Information Act 2000 is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public. To do this the school must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish.
- The manner in which the information will be published.
- Whether the information is available free of charge or on payment.

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is available in paper form. Some information which we hold may not be made public, for example personal information.

This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

The School Business Manager is responsible for maintaining the Publication Scheme in consultation with the Governing Body.

### Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. The classes of information that we undertake to make available are organised into broad topic areas:

- Who we are and what we do.
- What we spend and how we spend it.
- What our priorities are and how we are doing.
- How we make decisions.
- Our policies and procedures.
- Other information.

Further details are given in Annex A.

The information available will not generally include:

- Information, the disclosure of which is:
  - Prevented by law.
  - Exempt under the Freedom of Information Act.
  - Is properly considered to be protected from disclosure.
- Information in draft form.
- Information that is no longer readily available as it is contained in files that have been placed in archive storage or is difficult to access for similar reasons.

## How to request information

You can request a copy of the information you want from the contact detailed below. If the information you are looking for is not available via the scheme and is not on our website, you can still ask if we have it.
