

PETER PAN

The background of the poster features a dark blue night sky with a large, bright full moon. Silhouetted against the moon is Peter Pan, wearing his signature outfit and flying with his arms outstretched. A smaller silhouette of a child is also visible, flying away. On the left side, the silhouette of the Big Ben clock tower and other London buildings is visible against a lighter blue glow. The title 'PETER PAN' is written in large, golden, serif capital letters across the top.
