

BTEC Public Services

Programme of Study: 2020 -2021

The rationale for all qualifications in the BTEC First suite in Public Services is to

- **Inspire and enthuse learners to consider a career in the public service sector**
- **Give learners the opportunity to gain a broad knowledge and understanding of, and develop skills in, the public service sector**
- **Gives learners the opportunity to develop and apply skills in English and mathematics in naturally occurring, work-related contexts**
- **Support progression into a more specialised Level 3 vocational or academic course or into an apprenticeship**
