

## Year 7- EPCS6 Essential Experiences 2020/2021

**\*Please note some of the experiences below have had to be revised in light of COVID-19 and will be provided for students virtually.**

At EPCS, we aim to provide a broad and balanced curriculum which engages children and enables them to become learners for life. As part of this curriculum, we ensure every student has the opportunity to meet a range of different people, visit a range of different places and experience a range of different things. The table below is not an exhaustive list of the experiences offered to our students, but represents the essential opportunities provided for all students during their time with us.

As part of the student experience we work closely with a range of business partners, employers and external agencies including Vodafone, Waitrose, NHS, Police, Fujitsu, Johnson and Johnson, Legal and General, Revolution High, Educational Business partnership, BiTC, Oxford Brookes University, Surrey University, Brunel University, Winchester STEM centre, Warfield Park Homes, PIXL, GCSE POD and Tassomai.
