

UNIVERSITY OF
SURREY

Engagement with Easthampstead Park

Throughout the 2018 - 2019 academic year students across KS3, KS4 and KS5 will have the opportunity to meet discuss and learn about University life from students and lecturers

University of Work

Year 9

Capacity: 30 students

Location: On campus

This day will allow students to engage with a range of employers, to learn about the value of how subject specific skills are applied in particular areas of work. These employer talks will be attended by groups of Year 8 to Year 10 students, and our initial focus will be on Maths, Science, English and Business skills.

Dates

- Wednesday 14th March 2019 (Science and Maths at Work).
- Wednesday 13th June 2019 (English at Work).

Book

Register for the event [online](#).

University Life

Year 8 12th February

Capacity: 25-100 students

Location: In school

Students will discover what learning and living is like at university and explore the many opportunities, experiences, and support accessible throughout the duration of a degree. Throughout the day, students will get to look at studying at university, accommodation, finance, support services alongside all the many other elements that make up life at university.

University Start

Year 7 11th February

Capacity: 25-100 students

Location: In school

By being transported to the first day of university, students will get to explore a variety of aspects of student life. This introductory session will cover a broad range of topics, including differences between school and university, independent study skills, social skills and educational pathways.
